## KVH Biosecurity Symposium: Staying ahead of the curve

DAY TWO: 9.00am - 12.00pm, Thursday 6 August 2026

8.30am - 9.00am	Registrations and networking
9.00am - 9.10am	MC welcome and opening <i>Gerard Moore, Moorebrook Ltd</i>
9.10am - 10.30am	<b>Don't let the fly ground the supply: a Fruit Fly Council workshop</b>  The Fruit Fly Council (a collective that includes the Ministry for Primary Industries and industry sectors who would be impacted by a fruit fly incursion) are holding a workshop to test the horticultural sectors level of readiness to manage a fruit fly incursion in a major horticultural growing region and maintain supply chains when movement controls and export restrictions are in place.  This is an interactive workshop that will explore how restrictions will impact the movement of fruit and test industry ability to navigate these with an objective of identifying actions to improve our preparedness.
10.30am - 10.50am	Morning tea
10.50am - 11.50am	<b>Don't let the fly ground the supply continued</b>
11.50am - 12.00pm	Wrap-up and closing remarks <i>Gerard Moore, Moorebrook Ltd</i>
12.00pm - 12.30pm	Lunch to conclude: stay and enjoy, or grab and go
