

BIOSECURITY BLITZ

WORKING TOGETHER TO TO PROTECT OUR PORT,
ENVIRONMENT, AND COMMUNITY

Port of Tauranga are a community committed to biosecurity excellence, working together to prevent biosecurity risks. You are part of the team!

Vessels and the sea containers and goods on them may contain risks that breach New Zealand's biosecurity rules.

**IT WOULD BE
STINK IF
THESE GOT
INTO NEW
ZEALAND**

Although we have a world-leading biosecurity (and surveillance) system there is never zero risk. Everyone working on the port must know what to lookout for and why.

CATCH IT

SNAP IT

REPORT IT
