

KVH submission form

Proposed Pathway Management Plan for the kiwifruit industry

You can use this form to provide feedback on the proposed Pathway Management Plan, using the suggested questions as a guide. Please forward your views to KVH by Friday 30 October 2020 at info@kvh.org.nz or phone us on 0800 665 825.

1. Do you support the concept of a Pathway Management Plan for the New Zealand kiwifruit industry?

Yes No

2. Which parts of the proposed Pathway Plan make sense to you, or raise questions or concerns (please briefly explain these and what will help to address any issues/concerns)?

3. Do you agree the proposed areas to strengthen biosecurity will reduce biosecurity risk (please briefly explain why you agree/don't agree)?

4. Which of the proposals require minimal change for you or your organisation (because you are already actively addressing these), and which will require some change, innovation, or cost?

5. When thinking about specific areas of the proposal (particularly related to requirements for things like supplying budwood and pollen, and monitoring budwood blocks) have we got the balance right between risk management and practicality? If not, why not?

6. Are there any specific issues or things you want KVH to consider as the Pathway Management Plan proposal is finalised?
